Important

Included with this letter are your funding forms and fee slips, please return your completed form to the group by Thursday April 26th. Thank you.

Session for September are filling quickly please let us know your preferred sessions A.S.A.P.

If your child is moving on to another setting please let us know. There is a form on the notice board to help you.

This is the term that some people go on holiday. If you are one of the lucky ones please let us have your holiday dates so that they can be put on the notice board for people who require extra sessions.

Please could we ask you to take extra care when parking and moving your car in the car park due to parents and young children moving around.

Parents help please!

During our **Pets week** (week 3) we will be inviting pets into our group. If you or your child has a pet at home they would like to show the other children please speak to Carole/ Sue to arrange a suitable time. Please let your child bring in their favourite 'cuddly toy' so that they can make a home for it during this week. To ensure safekeeping please put your child's name on it.

To make this week an enjoyable time for all children please let your child's Key person know if your child has any animal allergies or fears.

If any parents with **musical talents** could spare 10/15 minutes and would like to share them with our children it would be much appreciated during our Music week (Week 5).

Thank you for your help with empty grocery cartons, yogurt pots etc., please continue to keep us supplied.

We are always on the look out for paper, card and welcome donations, you would be surprised at what we can use that you would normally throw away (and it's good to show the children re-cycling in action).
