Food allergies

Thank you for your continued support providing fruit & vegetables for snack time. Due to allergies could you please avoid Kiwi, Pineapple and anything containing peanuts.

Parents help please!

Weeks 1 & 2 - model making

Please let us have any of your empty boxes, cartons etc.
Thank you

Week 2 - Animals

We are making homes for animals; please send your child in with their *favourite, named cuddly animal*.

This is the term that some people go on holiday. If you are one of the lucky ones please let us have your holiday dates so that they are available for people who require extra sessions.

We are always on the look out for paper, card and welcome donations. You would be surprised at what we can use that you would normally throw away (and it's good to show the children re-cycling in action).

TOYS!! As a pre-school we try hard to encourage the concept of sharing with the children, one of the benefits of the group environment. Unfortunately when children fetch their own toys in to pre-school, the other children do want to share them as well, which can create tensions between the children. We would therefore ask you not to let your child fetch toys of their own into the group. Children's "comfort" items will obviously be an exception.
